2011 CHRISTMAS GIVING TREE

With the weather getting colder and the days getting shorter, we know that Christmas is right around the corner and that means our annual Giving Tree Project is about to begin. With the economy in the current state, and so many people out of jobs, your help is needed even more this year. You will notice many of the gifts this year are for cash donations or gift certificates. This is because people are in desperate need of those things that seem so basic to us including food, shelter, heat, and electricity. Your incredible generosity will be felt by the families and children who, without us, would get nothing this year. So once again, we ask that you make a difference in the lives of others, as you have in years past.

The Giving Tree starts on Saturday and Sunday, November 26th and 27th. The tree is located in the back of the church, behind the baptismal font. Simply take an ornament from the tree, purchase and wrap the gift, and return the gift under the tree by Wednesday, December 14th. Also, it is extremely important that you return the gift with the ornament and tag intact and securely attached to the package. We ask that there are no bows or large decorations on the packages, since we deal with so many gifts, they are only crushed during delivery. Thank you for making this project such a success, year after year.

**Please pay attention to the special instructions on the tags,
including no gift-wrapping for some.**

REMEMBER!!
GIFTS MUST BE RETURNED BY
