Catholic Schools Week

Next Sunday, January 31, at the 10:30 a.m. Mass, we will begin our celebration of Catholic Schools Week. This week is set aside every year to focus on the gift that Catholic education provides to America's young people and its contributions to our church, our community and our nation. We reach out to the wider community beyond our parish doors to build awareness of what our schools have to offer.

Saint Joseph Parish Elementary School is an excellent place for the young members of our parish to come and learn about the world and God with the eyes of their Catholic faith. One of the most important roles of a parish and its families is preparing young people for fulfilling lives of love and service to their families, their communities and the Lord. That is why the 2010 Catholic School's Week theme is particularly fitting. "*Catholic Schools: Dividends for Life*" underscores the long standing tradition of Catholic education to instill in students the faith, knowledge, morals and discipline that will enable them to fulfill their future roles in life.

You will see listed in the bulletin a schedule of events for Catholic Schools Week. You are most welcome to attend the opening liturgy next Sunday. I take this opportunity to thank our principal, Sister Catherine Irene Masino, IHM, our vice-principle, Sister Rita Doyle, IHM and the dedicated Sisters and Lay teachers in our school. They provide excellent leadership, sound education and are wonderful examples of living life as a follower of Christ.

God Bless you All!

The Spirit of the Lord

After listening to today's Gospel, imagine someone says, "The Spirit of the Lord is upon you..." Think about how this might change some of your current words, actions, deeds. How can you bring glad tidings to the poor? Proclaim liberty to captives? Recover sight to the blind and let the oppressed go free? Given some thought, we are all capable of accomplishing these things in our ordinary daily lives. Making meals for Aid For Friends, spending time with someone in a nursing home, helping a friend with a problem are just a few ways that we can make a difference and truly feel the Spirit of the Lord is upon us!

Road of Hope – The Spiritual Journey of Cardinal Nguyen Van Thuan (#DVD 921 Van) It is on the DVD Rack.

This is an original Salt and Light documentary exploring the man and his message. This powerful film traces the history of Thuan from his privileged upbringing on a powerful political family to decades of war, betrayal, and suffering – all experiences which helped form his singular conviction that "Love Conquers All."

Cardinal Francis Xavier Nguyen Van Thuan was a political prisoner of the Communist regime in Vietnam for thirteen years, nine of which he spent in solitary confinement. His remarkable faith sustained him during those long years when he would celebrate mass in secret with three drops of wine in the palm of his hand and the host smuggled inside a flashlight by his faithful. His spiritual writings, penned on the back of old calendars, have spread throughout the world inspiring millions.

Featuring interviews with those who knew him best, never before seen family videos, and rare archival footage of Thuan sharing his most revealing insights, *Road of Hope* offers an unprecedented glimpse into the life of a modern day martyr and saint.
